

PUBLIC LEDGER

FOURTH YEAR.

MAYSVILLE, KY., WEDNESDAY, MARCH 13, 1895.

Brief Business!

The columns of a newspaper represent a coast and country publication. A more or less advertising "notices" free any more than a merchant can afford to pay for the cost of his goods or shoes. A newspaper is a legitimate business, and it is a duty to buy and sell in trade, and advertisements should be paid for, no matter what part of the paper they appear.

The Continued Calls

upon The Ledger for free notices have become so burdensome that we are compelled to publish the following terms:

For Notices of Sales, fees, or other public information, we charge \$1.00 per insertion and 5 cents a line for advertising, and for voluntary notices or resolutions of respect, etc., The Ledger will charge \$1.00 per insertion, and the insertion fee will be the involuntary rule. This, however,

Does Not Include

use of Lodge meetings or Church services, which must not exceed ten lines.

Arbitration of Disputes.

Misunderstandings are unpleasant. The price of a copy of The Ledger is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. We charge \$1.00 for a five-line local inserted in the paper. The Ledger will charge \$1.00 to say to the bookkeeper. But he forgets about the bill. So there is \$1.00 for two insertions—\$1.00 times—the bill is \$1.00. When he finds out there is a \$1.00 charge, he comes to us probably by an icy feeling. Now, to cut down the bill, we charge for notices will be accepted hereafter. They have a definite agreement at the outset, and arbitration will be pleasant all round.

All notices for publication must be handed in before 9 o'clock in the morning of each day.

If you have friends visiting you, or if you are going away on a visit, please drop us a note to that effect.

E. R. Young of Ripley was here yesterday.

S. L. Dayton of Mt. Olivet was in town yesterday.

J. A. Graves of Ewing was in this city yesterday.

A. B. Anderson of Shannon was in this city Monday.

Miss Ella Adams of Georgetown was in Maysville Monday.

F. R. Jones of Millersburg was a visitor to our city Monday.

W. G. Slope of Felicity, O., was in Maysville yesterday.

J. W. Rand of Vanceburg was a visitor to our city yesterday.

John P. Hayes of Dyer was in the city yesterday, the guest of genial J. D. Homan.

Mrs. R. Candy, J. W. Lee and William Knowlton of Flemingsburg were in Maysville Monday.

Aaron Carter, a well known citizen of Montgomery, W. Va., was in Maysville Monday for a short while.

Lexington Leader—President W. W. Baldwin of the Maysville and Lexington Turnpike Company is in the city.

Frank Groppenbacher and Ernest Bachman, two of Ripley's most promising young men, were visitors to our city yesterday.

The many friends in this city of Mrs. Layton, the mother of Mrs. George M. Clinger, will regret to learn that she suffered a stroke of paralysis at her home near Fries, Lewis county, Saturday, and is now in a precarious condition.

The statement of solid financial institution, the State National Bank, will be found on the fourth page of this issue; it has individual deposits of \$32,250.00, and loans and discounts amounting to \$420,888.96, a most gratifying showing.

On Wednesday evening, March 27th, at the Opera-house, the following from the Cincinnati Conservatory will appear in an elaborate musical program: Mr. Jacob Bloom, violinist; Mrs. Jacob Bloom, pianist; Mrs. Hatte Blattner, vocalist; Miss Mannehauer, elocutionist, from the Cincinnati School of Expression, Cincinnati; also Master David Abramowitz, aged 18, a violinist. The entertainment will no doubt prove a treat for lovers of music.

FAREWELL TO CONGRESS.

The record will show that the aggregate amount of money given to the public press for the two sessions of this Congress—Washington Dispatch.

"Good-bye."

We sigh,

Though left bereft,

We may be happy yet.

You're quit—

It's a glad that some are lost.

Because—

Here a pause—

A billion you have cost.

You're naked,

But little have you said.

We're found—

More sound

Longer dobes have led.

But now—

We vow

We know you cut a dash,

For we—

You've cost a billion cash.

We find—

How blind

We have been in the past,

And so,

You know,

We're glad you're through at last.

We fear—

It's clear

From what you've done before.

We're through

You've cost a billion more.

The price

In three

As much as you are worth;

Even then,

Few men

Would almost own the earth.

Too high—

Very—

And urge when we're allowed

You're not

God wot,

A billion-dollar crowd.

Some good

You should

Let right to claim you've done.

Then, too,

'Tis true,

You've had a lot of fun.

The same

To fame

We will not now deay.

But still—

Your bill!

Is very much too big.

AMERICA FOR AMERICANS

MCKINLEY AND WILSON ABROAD.

In 1890 William McKinley was burned in Egypt in the English manufacturing city of Sheffield; but in 1891 William L. Wilson was dined and invited in London because he is the author of a Free-trade Tariff Bill. There are significant facts.

ONE OF THE ECONOMIC SPASMS THAT ATTACKED THE LATE DEMOCRATIC CONGRESS WAS THE LOPPING OFF \$14,200,000 FROM THE PENSION APPROPRIATION BILL. OH, HOW THE DEMOCRATS LOVE THE OLD SOLDIER ULLIKEHEIM!

The fool Democrats had to adopt Tom Reed's plan for counting a quorum, after swearing they wouldn't, and now they are obliged to admit that Mr. Reed was right when he declared that this is a billion dollar country.

IT WASN'T NECESSARY for that Washington correspondent to assure us that JOHN G. CARLISLE hadn't drunk a drop of liquor since he became Secretary of the Treasury. Any one who knows JOHN KNOWS that this is just what has been the matter with him.

THE REPUBLICAN PARTY HAS CERTAIN WELL-DEFINED POLICIES WITH WHICH THE LOUISVILLE COMMERCIAL IS IN HEART.

IT IS IN FAVOR OF PARITY POLICY WHICH WILL STIMULATE AMERICAN INDUSTRIES AND EMPLOY AMERICAN LABOR AT WAGES THAT WILL ENABLE WORKMEN TO LIVE IN A WAY FITTING THEM AND THEIR CHILDREN TO PLAY THE PART OF CAPABLE AND USEFUL AMERICAN CITIZENS.

IT IS IN FAVOR OF NATIONAL SUPREMACY IN ALL NATIONAL CONCERN AND FOR STATE'S RIGHTS IN ALL MATTERS THAT PROPERLY CONCERN THE ADMINISTRATION OF THE STATES.

IT IS IN FAVOR OF PRESERVING THE NATIONAL CREDIT AND OF GIVING THE PEOPLE A SOUND, STABLE AND HONEST CURRENCY, IN WHICH A DOLLAR MEANS A COIN EQUAL TO THE BEST DOLLAR IN THE WORLD, AND WHICH A WORKMAN CAN SAVE WITH THE ASSURANCE THAT IT WILL BE WORTH AS MUCH WHEN HE HAS TO SPEND IT AS WHEN HE PUT IT AWAY.

THE REPUBLICAN PARTY ALSO AS WE UNDERSTAND ITS PURPOSES, IS IN FAVOR OF FAIR ELECTIONS, OF FAIR DEALING WITH ALL INTERESTS, WHETHER INDIVIDUAL OR CORPORATE; IN FAVOR OF MATERIAL DEVELOPMENT AND OF THE PROGRESS WHICH LEADS TO THE BETTER LIVING OF ALL CLASSES, AND OF THE REFORM WHICH GIVES PEOPLE GOOD GOVERNMENT AT THE LOWEST COST.

IN REGARD TO ALL THESE MATTERS THE COMMERCIAL IS IN SYMPATHY WITH THE REPUBLICAN PARTY, AND WILL HELP IT AS LONG AS IT WORKS FOR THEM. THE COMMERCIAL REGARD PARTIES AS ONLY USEFUL IN CARRYING OUT CERTAIN PRINCIPLES. IT WILL SUPPORT THE PARTY THAT ADVOCATES THE PRINCIPLES THAT IT THINKS BEST FOR THE COUNTRY, AND IT WILL NOT SUPPORT ANY BODY OR ANY PARTY THAT FAVORS MEASURES OR POLICIES THAT IT DEEMS INJURIOUS TO THE BEST INTERESTS OF THE PEOPLE.

Don't Stop Tobacco—How to Cure Yourself of the Habit.

The tobacco habit grows on men until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is to invite disaster. It is better to give up the habit in an invertebrate manner, because a simian that his system continually craves Baco-Curo is a scientific cure for the tobacco habit, in all its forms, carefully compounded under the direction of a physician. It has been used in this in private practice since 1872, without a failure, purely vegetable and guaranteed perfectly harmless.

You can all the tobacco you want, while taking Baco-Curo, and it will do you no harm. We give a written guarantee to permanently cure any case with three boxes, or refund the money won by 10 per cent. interest. Baco-Curo is not a substitute, but a scientific cure, that cures the tobacco habit in a safe, simple and no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chaw or smoke. You can have all the tobacco you want, while taking Baco-Curo, and it will do you no harm.

"This Picture and that"

For a long time Mr. John Barber of 117 Main St., Durham, N. C., was a victim to Dyspepsia—he was advised to take

Brown's Iron Bitters.

On July 10, 1894, he wrote a grateful letter in which he said:

"I have Brown's Iron Bitter for the mouth for Dyspepsia and it has cured me."

He does not mind it's being known—perhaps his letter may help YOU to a cure! This remedy has helped thousands during the past 20 yrs. Why? It does not constipate, and it WON'T INJURE THE TEETH.

THAT RUSH.

The Outcome of the Indians Legislative Riot.

The Governor's Private Secretary Eddy Hart in the Melee.

The Hill over Which the Rush Occurred is Missing. No Friend Has Been Made to Hunt. Any One Arrested Still Lives.

IN ASSEMBLY, Jan. 13.—Private Secretary Morton D. Kline, who was the chief figure in the legislative "rush" Monday night to prevent him delivering the governor's veto message until too late to affect the bill, was found to be badly hurt Tuesday. He was in a feverish condition, much worse than the center rush, a foot gall ball and one rib over the heart was cracked and the diaphragm was torn from the bone. He suffered intensely all day, except when relieved by morphine, but died, however, before he could recover.

Representative Adams, of Park county, whose giant form loomed up in the struggle so conspicuously, both to friend and foe, did not show any damage to his body Tuesday morning. His coat, vest, shirt, or tie were untouched, and the republican members made up a purse of \$50 to buy him an ether. It was presented to him Tuesday afternoon at the Dennis House, in the presence of the governor.

Many spectators say that they thought the governor intended to veto the highly prized and hard-fought-for fee and salary bill and that their resistance was to prevent this. This would be a much more justifiable cause than the one advanced by the anti-tobacco bill, which had only a mass of petty spots, about a dozen places in all, to contend for. If the governor had given the house time to consider the veto of the bill, it would have been passed, and it is an excellent bill. The bill could not have amounted to a farthing, because it was so laughingly drawn as to be untenable from a constitutional point of view.

No effort has been made to have any amendment introduced, but Dr. George says that some effort of the final nature will be made. The bill over which the rush occurred has not been found, and it is probable the republicans gained nothing. Both sides have been scored, especially the football side of the political politics. Gov. Matthews' Whigs tried to have a new board of directors for each of the prisons commissioned by Secretary of State Owen, but the latter rejected the new law, vesting the appointments in the state officials, of which the governor is one. The governor selected Henry A. Root, a republican, of Michigan City, and J. F. Darrell, a republican of Munroe, to succeed the two democrats whose terms expire this month. The other two old members were re-appointed.

The appointees of the board of state officers will begin proceedings at Michigan City as soon as they are appointed. The board met and organized, but did not select the members who are to be the directors.

State Glass Trust.
CHICAGO, March 12.—What is believed to be the evolution of the Pittsburgh Plate Glass Co. into a trust controlling all the plate glass companies in the country began Tuesday in the purchase of the Diamond Plate Glass Co. by the Pittsburgh Plate Glass Co. eastern concerns. Though declining to give the figures in the transaction, Col. Conger said the investment in the Diamond Co. represented \$3,000,000. With the capture of the Diamond Co. the others are expected to follow.

State Glass Association.

DENVER, Colo., March 13.—Senate Senator H. C. Sturtevant, a Democrat, was arrested and brought before United States Commissioner Capron, who fixed his bail at \$1,000. It is charged that Sturtevant, a Whig, was implicated in a conspiracy to defraud the government in an effort to change the site of the prospective federal building at Pueblo. The senator claims there is no foundation for the arrest.

Texas Boys' Terrible Crime.
GALVESTON, Tex., March 13.—The house of Jenkins Webb, a Negro, living near here, was burned Monday night, and in going over the ruins Tuesday the charred remains of her two children, aged 11 and 13, were found. Walter Shiner, aged 17, colored, was found near the house, and after investigating it was developed that he had assaulted the oldest child, a girl, then murdered both and burned the house to cover up his crime.

Steel Cars Bought.
PITTSBURGH, Pa., March 13.—After a long absence from the American Construction Co., of Boston, Tuesday closed the purchase of the Park City street railway, of this city, which they intend changing into an electric system. Work on the improvements will begin within a week and will be completed in seven months. The estimated cost is \$150,000.

FOR PEACE.

Terms Finally Arranged to End the China War.

WASHINGTON, March 13.—As a result of the negotiations between Minister Paul Yung, Chinese minister in Washington, and the terms of the peace to be concluded between China and Japan are now known with little short of exactness. As understood in high official circles, they are as follows:

First, China retains the rights to exist by reason of the war, but on the renewal of peace the new treaty will grant Japan extra territorial jurisdiction over China, but the latter country will surrender the extra territorial jurisdiction she formerly had.

Second—There will be no extension of Japanese territory in the mainland of Asia, but the island of Formosa, a Chinese possession lying off the coast, will be permanently ceded to Japan.

Third—China will be granted the right to continue the occupation of Port Arthur and Wei-Hai-Wei, the two great naval stations leading to the Gulf of Peckhill, for a term of years.

Fourth—The status of China that Corcoa is a dependency of hers shall be forever relinquished and Corcoa shall henceforth be independent.

Fifth—The cash indemnity to be paid by China will not exceed \$250,000,000 in gold.

EARLY MORNING FIRE.

One Man Fatally Injured, Five Seriously and Property Loss of \$40,000.

WICHITA, Kan., March 13.—A house was fatally injured, five seriously and \$40,000 worth of property destroyed by fire early Tuesday morning in the business portion of the town.

The victims are John Mcleishjohn, householder, and his wife, Mrs. Mcleishjohn, both aged 60 years. John Mcleishjohn, a leather manufacturer, had injured his leg and ankle broken; Alderman Jefferson Jones, head injured and internally; A. C. Scott, head cut by glass; John Peters, internally injured and cut by glass; Joe Weinsberger, spine injured.

The fire started in the rear of the two-story brick building occupied by Mrs. Mcleishjohn as a notion store. The house apparatus was unable to cope with the fire, and the neighbors who rushed to sell sand and water to extinguish the flames exploded in the Butterfield building, and the injured spectators were caught under the falling walls. Many others were burned and bruised by flying debris. The business portion of the city practically destroyed, but nearly every loss is covered by insurance.

Korea's First Assessment.

MOCTHOUEUNG, Ala., March 13.—Capt. R. F. Kolb and his levellers went to Birmingham Tuesday, and a grand council was in session there all day consulting with the city government. Kolb signed off his willingness, if he could get the support of the party leaders, inagurate and perpetuate the dual state government. The scheme is not generally favored.

Figures to Race 200 Miles.

SAN FRANCISCO, March 13.—A pigeon race is being arranged for next June, the course to be from this city to Portland, Oregon, and back again.

WICHITA, Kan., March 13.—The air line tracks set up for the racing pigeons in the city were taken down yesterday morning, and the tracks are to be used again in the fall.

By MATTHEW G. LEWIS,

(MOK LEWIS.)

Mr. Lewis was a member of the Black Panthers, and was a well-known and popular figure in Boston a hundred years ago that gained for him the title of "Munk Lewis."

It is a fine piece of classic composition, and after being out of print for many years it has been republished from the original text.

It is far superior to "Munk Mon" and books of that character.

RIOTING.

Blood Flows on the Levee at New Orleans.

Armed Mobs Shoot Down the Negro Place Takers.

Some Half a Dozen Colored Men Dead and a Number Wounded—The Negroes Fired Upon by Whites While They Were on Their Way to Work.

NEW ORLEANS., March 13.—At 6 o'clock Tuesday morning, as the Negro laborers of the Cromwell line and also of the Harlan line were reporting for work on the levee, between Canal and St. Peter street, they were fired upon by a crowd of about 50 men.

Several of the Negroes were killed and many of them seriously wounded. This was great excitement. The attack was so sudden and unexpected that the Negroes made no resistance and the uninjured fled from the scene, leaving their dead and wounded companions lying on the levee.

The dead and injured have not yet been identified, and identification will be difficult for the reason that many of the Negroes who have taken the strikers' places have been imported from other cities recently.

A number of small riots took place along the striking front on Tuesday morning. A gang of strikers attacked a number of Negroes who had congregated in the vicinity of the French market, and several of the blacks were badly wounded.

At the head of the mob a dozen or more Negros were killed and a volley of bullets after the fleeing figures. One Mexican roostabout was shot and fatally wounded. A number of Negroes were killed, but the number of killed and injured, but up to now it was believed the list of killed would not exceed six Negroes, and the wounded would not go above 15 or 20.

The lower portion of the city, where the railroad yards and steamship docks are located, is covered with a dense fog and it is feared that the strikers will take advantage of this and commit their assault on the men who are working on the levee to secure their ends.

A committee of citizens Tuesday morning waited upon Mayor Fitzgerald and asked him to call out every available policeman in the city. The mayor is investigating the trouble, but it is believed that the strikers have gone beyond the control of the police and the state militia may be called out.

All morning the white strikers were patrolling the levee in large gangs and threatening all kinds of injury to the importers and their men.

Among those known to be injured are James A. Lane (white), purser of the steamship *Englewood*; Ridd Brook (white), a longshoreman; William Williams (colored), a seaman; Frank Wright (white), a driver; and L. McNeil (colored), a stevedore.

Purser Lane, who was standing on the wharf when the riot began, was shot in the head three times and in the arm once. Mellord was also shot in the head. Both men are believed to be dangerous.

At 7 o'clock this morning no twelve or fifteen Negroes were about to go to work at the head of Phillips street, about three miles above the place where the mob suddenly ran out on the wharf from an adjacent street and opened fire on them. All of the Negroes succeeded in making their escape except one man of the name of Crawford, who was killed. After the shooting the white men quickly ran away, escaping before the police could reach the spot.

Major Fitzgerald is now patrolling the levee front with a squad of police.

Tommy Foster has been telegraphed to and it is reported the militia have been ordered to keep themselves in readiness. At this writing members of the mob are drinking. The police fear more trouble. Acting Chief of Police John Morrissey is fully on the native front, but in a turmoil. Another riot may be expected at any moment.

The bodies of the four killed at the Jackson square are at the Third precinct station, while the bodies of the others are at the Sixth precinct police station.

The report that a white longshoreman had been killed is now denied.

At 10 o'clock it is now positively known that the Negroes are dead. Of those who were taken to the hospital in the Carib. At the hospital there are eight wounded. Of this number two are dying. They are Harry Brown, shot five times in the breast, and Jos. Mallard, shot through the lung and heart.

Later reports are to the effect that at least two Negroes were shot and jumped into the river. They are still reported missing.

Prof. Wiggin's Prediction.

OTTAWA., March 13.—Prof. Stone Wiggin, speaking of the eclipse of the moon, said it would be a remarkable except that the last that it passed over the celestial equator. This, he added, would produce violent atmospheric disturbances, on both the earth and the moon, and a very decided fall of temperature on them. In all probability the moon would be affected by earthquake shocks on both hemispheres. The moon, he said, passed squarely over the earth's shadow, which was of a dark brown color, and distinctly visible during the eclipse. If it if the moon has no atmosphere to distribute the solar rays, as there is no light in space, it would have been black as ink.

Pardon to Dr. Foster.

INDIANAPOLIS., Ind., March 13.—The governor's press secretary, M. D. Newell, was present to receive information from the effects of the pronouncing received Monday night while he was attempting to deliver to the speaker of the house the governor's veto to the bill amending the constitution. Our Products Are Not Admitted at Present. We Demand Compensation by the President Will Be Offered to the Retaliatory Powers Given Him.

Washington, March 13.—It is expected to be a feeling among the treasury officials that the attitude of several of the foreign countries in regard to our tariff laws is likely to create some stir before very long. The threatened discrimination of France has been mentioned as an order to Ambassador Eustis to get from our products are admitted at French ports without discrimination, that the president will be obliged to issue the given power to him to retaliate.
